PROVINCE OF DAVAO OCCIDENTAL

ANNUAL ACCOMPLISHMENT REPORT 2023

The Province of Endless Possibilities

MESSAGE

Greetings!

The Provincial Government of Davao Occidental is consistent in its development thrust following the 8-point Socio-Economic Agenda that summarizes the priority goals of government to address current pressing issues. The development thrust of the Province is anchored on the country's Philippine Development Plan 2023-2028 strategy framework focusing on the present administration's agenda: the GO DRIVE! FPB which stands for Gearing Onwards: Developing Rural Initiatives with Versatility and Efficiency! Food security and agriculture in sound environment; Peace and order and people's welfare-health, social services and tourism; and, Build more...infra-support utilities, water systems and facilities.

It is a fact that the Province is starting to recover from the global pandemic which greatly affected not just the well-being but the socio-economic condition of the constituents. As an intervention of the provincial government, more programs-projects-activities were implemented to ensure that no family or even individual is left behind because we need to build trust and resiliency to our constituents.

I am proud to present the 2023 Annual Accomplishment Report which is a compilation of the results of the concerted efforts and achievements of all the departments/offices and the partner agencies categorized into: Social Sector, Economic Sector, Environment Sector, Institutional Sector and the Infrastructure Sector. The workforce of the Provincial Government is developing plans, implementing PPAs, monitoring and evaluating to ensure sustainability that will provide excellent direction and positive impacts in the lives of the people.

As a united and people-centered Province, it is our most powerful mantra "*mamamayan muna, hindi mamaya na*".

Together we can do it more.....

ATTY. FRANKLIN P. BAUTISTA
Governor

EXECUTIVE SUMMARY

*This Annual Report 2023 presented
the highlights of accomplishments
of the Provincial Local Government Unit
of Davao Occidental*

*The report has been divided into five (5) sectors:
Institutional Sector,
Social Sector,
Economic Sector,
Environment Sector and
Infrastructure Sector*

With the commitment of the present administration in gearing onwards developing rural initiatives with versatility and efficiency, the Provincial Government has accomplished in 2023 in the five (5) development sectors which emphasized significant results to the constituents especially belonging to the most vulnerable sectors.

This annual accomplishment report served as a basis of the decision-making body in determining and finding solutions to problems, issues and concerns with the provision of interventions and technical assistance packages that will benefit the people of Davao Occidental.

1. HISTORICAL BACKGROUND

Davao Occidental was created by virtue of Republic Act 10360 enacted by the 15th Congress of the Republic of the Philippines on July 23, 2012 and signed into law by President Benigno C. Aquino III on January 14, 2013. The five municipalities of Sta. Maria, Malita, Don Marcelino, Jose Abad Santos and Sarangani were carved out from the province of Davao del Sur to compose the province of Davao Occidental. Congressmen Franklin P. Bautista and Marc Douglas Cagas of the House of the representatives and Senator Ferdinand “Bongbong” Marcos were the principal authors of the law creating the province which was ratified on October 28, 2013.

In 1846, a distinguished Attorney-at-Law, Don Jose Uyanguren, upon the order of Gov. Narciso Claveria, organized settlements south of the Encomienda de Bislig. As the settlement continued to grow down South, Don Jose was able to crush Datu Bago, a Bagobo chieftain who ruled Samal Island. Don Jose's conquest expanded to the vast lush region surrounding the body of water of what is now known as the Davao Gulf. The vast settlement was called then as Caraga Province. In February 27, 1849, Gov. Claveria decreed the partition of Caraga Province in two. The northern portion was named Surigao Province, southern part of Eastern Mindanao, including Davao Gulf, was named Nueva Guipozcoa in honour of Gov. Claveria's birthplace in Spain. Nueva Guipozcoa was later on renamed Davao.

In 1898, Davao became a district of the Moro Province created by the Americans as part of Mindanao with General Leonard Wood as its first Military Governor; and in 1916, Jones Law converted Moro Province into the Department of Mindanao and Sulu. All the districts that comprise the Department became regular provinces. Don Gulalio Causing became the first Provincial Governor of Davao.

In 1956, Congressman Ismael Veloso of Davao passed a bill in dividing Davao into three provinces - - Davao Oriental, Davao del Norte and Davao del Sur. The bill was approved in the Lower House but failed to get the approval of the Senate. Congressman Lorenzo Sarmiento revived the bill in 1965. With the

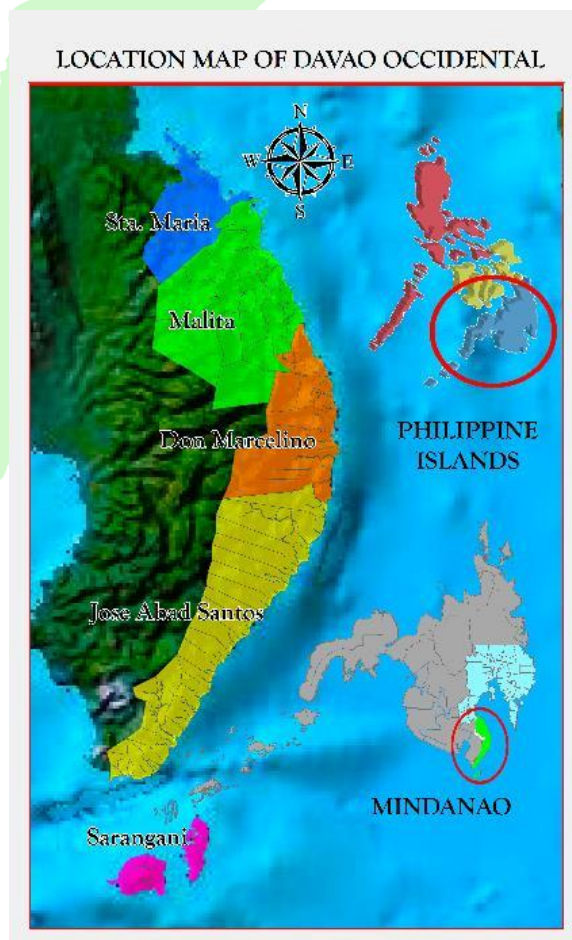

support of Senator Alejandro Almendras, the bill finally got approved as Republic Act 4867 in 1967. These provinces simultaneously celebrate July 1, 1967 as their foundation day, the effective date of the appointment of their respective provincial government officials by then President Ferdinand E. Marcos.

The recent national and local elections of 2016 resulted in the election of the first set of officials of the province. The Hon. Claude P. Bautista became the first Governor of the new province of Davao Occidental together with his brother Hon. Franklin P. Bautista who was elected as first Vice-Governor and the Presiding Officer of the first Sangguniang Panlalawigan. As a new local government, Davao Occidental officially assumed its corporate existence on June 30, 2016. The newly-elected officials assumed office on July 1, 2016. The foundation anniversary of Davao Occidental is celebrated every October 28 of the year.

2. PROVINCIAL PHYSICAL CHARACTERISTICS

2.1 Geographical Location

Davao Occidental lies on 5°21.84' and 6°38.107' North latitude; 125°42.77' and 125°18.51' East Longitude. It is the 81st province in the Philippines located in Davao Region, one of the most progressive and competitive regions in Mindanao. Specifically, it is situated in Southern Mindanao where it is bounded on the north by Davao del Sur; on the west by Sarangani Province; on the east, it is bounded by Davao Gulf; and finally, on the south, it also shares a water border with the Indonesian province of North Sulawesi. The main land mass of the province is occupied by the four (4) municipalities while the islands of Sarangani are separated by the Sarangani Strait.

Davao Occidental can be reached by land transportation vehicles plying the Malita – Davao City routes.

Meanwhile, the Sarangani and Balut Islands can be reached by land by taking the General Santos City route. From there, scheduled ferry boats take passengers and cargoes to and from the islands. It can also be reached via barangay Balangonan of Jose Abad Santos, where small boats and Ro-ro vessels are available.

PROVINCIAL YOUTH DEVELOPMENT OFFICE (PYDO)

VISION: *Empowering the Youth, Transforming Futures*” - A Davao Occidental where every young individual is equipped with the skills, knowledge, and opportunities to thrive, contribute to society, and lead in shaping a dynamic and sustainable province

MISSION: The Provincial Youth Development Office of Davao Occidental is dedicated to fostering the holistic development of the youth by creating an inclusive and supportive environment. We are committed to providing innovative programs, resources, and partnerships that enhance education, employment, health, and civic engagement. Through collaboration and advocacy, we strive to empower young people to become active and responsible citizens, ensuring a vibrant and progressive future for Davao Occidental.

MANDATE: **Rule IV Section 26(a) in the Implementing Rules and Regulations (IRR) of Republic Act No. 10742, otherwise known as Sangguniang Kabataan Reform Act of 2015** states that, “There shall be in every province, city, and municipality a Youth Development Office which shall be headed by a youth development officer with the rank of at least division chief.

The **Provincial Youth Development Office (PYDO)** stands as a beacon of hope and opportunity for young individuals within its jurisdiction. Nestled at the heart of the province, this institution serves as a catalyst for positive change, empowerment, and growth. With a mission to nurture the potential of the youth, PYDO is a dynamic hub where dreams take flight and aspirations are transformed into tangible achievements.

At its core, PYDO is a multifaceted entity, dedicated to enhancing the lives of young people in diverse ways. One of its primary functions is to design and implement a wide array of programs tailored to cater to the unique needs of the youth demographic. These initiatives encompass education, skills development, employment opportunities, mental and physical health resources, and civic engagement activities.

Moreover, PYDO is a symbol of inclusivity, celebrating diversity and promoting social cohesion. Regardless of gender, ethnicity, socioeconomic background, or abilities, all young people are welcomed with open arms. The office provides a safe space where ideas are valued, and voices are heard, fostering a sense of belonging and community among the youth.

In essence, the Provincial Youth Development Office is not just an institution; it is a lifeline for the youth, offering guidance, support, and a myriad of opportunities. Through its dedicated efforts, PYDO paves the way for a brighter future, where the potential of every young individual is recognized, nurtured, and celebrated.

ENVIRONMENTAL SECTOR**PROVINCIAL DISASTER RISK REDUCTION AND MANAGEMENT OFFICE
(PDRRMO)**

VISION: A stronghold for all DRRM offices and the greatest catalyst that would bring forth disaster awareness towards building a disaster resilient community with climate change adaptation as a backbone for its development.

MISSION:

- a. Formulate and implement a comprehensive Disaster Risk Reduction and Management Plan to include the annual budget for the Programs/Projects/Activities pertinent to the four (4) thematic areas, (1) disaster prevention and mitigation; (2) disaster preparedness; (3) disaster response; and (4) disaster rehabilitation and recovery.
- b. Outline, provide and coordinate with DRRM activities consistent with the national disaster council's standards and guidelines.
- c. Organize and conduct trainings, workshops, orientation and knowledge management activities on DRRM and facilitate contingency planning activities at the provincial, municipal and barangay level.
- d. Strengthen partnership with the private sectors, civil society organizations and volunteer groups.
- e. Conduct consistent monitoring on disaster related events and mobilize all instrumentalities to utilize their facilities and resources to protect and preserve life and properties.
- f. Establish linkage with national and local government units for DRRM disaster response

MANDATE:

1. Emergency and Rescue Responses
Emergency and rescue responses include medical incident, vehicular accident, trauma, crime and fire incident, drowning and retrieval and other related emergency services through augmentation of logistical resources and teams.
